ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this “Agreement”) is made and entered into as of _____, 2023 (the “Execution Date”) by and among Heller Capital Group, LLC, or its assignee (“Purchaser”) and Coin Cloud, Inc., d/b/a Coin Cloud (“Seller” or “Debtor”) who hereby agree as follows:

RECITALS

WHEREAS, on February 7, 2023 (the “Petition Date”), Seller commenced a Chapter 11 bankruptcy case docketed at BK-23-10423-mkn in the United States Bankruptcy Court for the District of Nevada (the “Bankruptcy Case”);

WHEREAS, Seller owns, operates, and leases certain digital currency machines (each a “DCM”) as part of its business (such business, as presently conducted by Seller, shall be collectively referred to herein as the “Business”), as Debtor and Debtor-in-Possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code;

WHEREAS, Seller wishes to sell, transfer, convey, assign and deliver to Purchaser, in accordance with Sections 363 and 365 and the other applicable provisions of the Bankruptcy Code, all of the Purchased Assets (as defined below) upon the terms and subject to the conditions set forth in this Agreement (hereinafter collectively referred to as the “Transaction”);

WHEREAS, Purchaser wishes to purchase and take delivery of such Purchased Assets subject to such conditions;

WHEREAS, the Purchased Assets will be sold by the Debtor to Purchaser pursuant to the terms of this Agreement and as authorized by Section 363 of the Bankruptcy Code;

WHEREAS, the Assumed Leases (as defined below) and Assumed Contracts (as defined below) will be assumed and assigned by the Debtor to Purchaser pursuant the terms of this Agreement and as authorized by Section 365 of the Bankruptcy Code;

WHEREAS, Purchaser was the winning bidder at a court approved auction sale conducted by Seller in the Bankruptcy Case (the “Winning Bid”); and

WHEREAS, the Seller and Purchaser have agreed to reflect the Purchaser’s agreement to purchase, and the Seller’s agreement to sell, the Purchased Assets on the mutually agreeable terms set forth herein.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements herein set forth and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE I PURCHASE AND SALE; ASSUMPTION OF CERTAIN LIABILITIES

Section 1.1 Purchase and Sale of Purchased Assets. Except as otherwise provided and subject to the terms and conditions set forth in this Agreement and subject to Bankruptcy Court approval, Seller agrees to sell, convey, assign, transfer and deliver to Purchaser, and Purchaser agrees to purchase, acquire and take assignment and delivery of, for the consideration specified in Section 1.3, all of Seller’s right, title and

interest in and to the Purchased Assets, free and clear of all Liens, claims or interests of any type or nature, whether known or unknown, of Seller or any other party.

Section 1.2 Assignment and Assumption of Liabilities. Except as otherwise provided and subject to the terms and conditions set forth in this Agreement and subject to the Bankruptcy Court approval, Purchaser shall assume from Seller, and thereafter be responsible for the payment, performance or discharge of, the Assumed Liabilities. Purchaser shall have no liability or obligation with respect to any of the Excluded Liabilities.

Section 1.3 Purchase Price. The purchase price for the Purchased Assets (the "Purchase Price") shall be (a) cash in the amount of \$4,200,000, subject to reduction prior to Closing in accordance with the Purchase Price Adjustment set forth in Section 1.8 (the "Cash Purchase Price"), and (b) the assumption of the Assumed Liabilities. The Parties hereto agree and acknowledge that the Deposit shall be applied to the Cash Purchase Price at the Closing. At the Closing, Purchaser shall pay by wire to [Seller] an amount in cash equal to the (i) Cash Purchase Price, minus (ii) the Deposit. Payments made pursuant to this Section 1.3 shall be allocated among the Purchase Assets in accordance with Section 1.5.

Section 1.4 Extension Fee. Purchaser shall pay to Debtor the sum of \$250,000.00 (the "Extension Fee") in consideration for Debtor's agreement that the Closing shall not take place prior to July 21, 2023. The Extension Fee shall be paid as follows: (i) Purchaser shall pay \$75,000 of the Extension Fee to Debtor upon execution of this Agreement; and (ii) Purchaser shall pay the remaining \$175,000 balance of the Extension Fee to the Debtor upon Closing, with each such payment being made by wire transfer to an account designated by Seller. The Extension Fee shall be separate from, in addition to, and not a deposit or advance against, the Cash Purchase Price.

Section 1.5 Allocation of Purchase Price. Within ninety (90) days following the Closing, Purchaser shall deliver to Seller a statement allocating the Purchase Price among the Purchased Assets in accordance with Section 1060 of the Code (the "Allocation Statement").

Section 1.6 Deemed Consents and Cure Payments. For all purposes of this Agreement (including all representations and warranties of Seller contained herein), Seller shall be deemed to have obtained all required consents in respect of the assignment of any of Assumed Contracts or Assumed Leases if, and to the extent that, pursuant to the Sale Order or other Bankruptcy Court Order, Seller is authorized to assume and assign Assumed Contracts and Assumed Leases to Purchaser pursuant to Section 365 of the Bankruptcy Code and any applicable Cure Payments have been satisfied by Purchaser on Seller's behalf, as provided herein.

Section 1.7 Obligations in Respect of Assumed Contracts and Assumed Leases. To the extent that any of the Assumed Contracts and Assumed Leases are subject to a cure amount pursuant to Sections 363 or 365 of the Bankruptcy Code or otherwise, immediately after Closing, Purchaser shall directly pay or otherwise provide for the amount of any applicable Cure Payment.

Section 1.8 Purchase Price Adjustment. Prior to Closing, Purchaser shall be given commercially reasonable access to each of the DCMs identified by Seller in order to complete its due diligence and determine whether such DCMs are held at the warehouses identified on Schedule 2.1(a) and are in Working Condition. In event that the number of DCMs in such warehouses varies by more than 5% (less than Seller's stated 2,200) or that more than 10% of such DCMs are not in Working Condition, the Cash Purchase Price shall be reduced by 10% (the "Purchase Price Adjustment").

Section 1.9 Purchase Price Adjustment for AVT Nevada L.P. Machines. Debtor leases approximately 483 DCMs (the “AVT DCMs”) from AVT Nevada L.P. (“AVT”), who has agreed in principle to allow Debtor to include the AVT DCMs as part of the Purchased Assets. Prior to any hearing to approve the Sale Order, Debtor shall obtain written consent from AVT for the inclusion of the AVT DCMs in the Purchased Assets. If Debtor does not obtain such written consent from AVT, or if AVT otherwise revokes its consent to have the AVT DCMs included in the Purchased Assets prior to the hearing to approve the Sale Order, the AVT DCMs shall not be included in the Purchased Assets, and the Purchase Price shall be reduced pursuant to the pro rata allocation of Purchase Price for the AVT DCMs, which amount shall also be included on the Allocation Statement. To the extent that any AVT DCM is operating in connection with or pursuant to any Assumed Contract or Assumed Lease, Purchaser shall have the right to reject such related Assumed Contract or Assumed Lease, and Purchaser shall have no obligation to pay any related Cure Amounts, or associated operational or rent costs for any such Assumed Lease or Assumed Contract.

ARTICLE II DESCRIPTION OF PURCHASED ASSETS; EXCLUDED ASSETS; ASSUMPTION OF LIABILITIES

Section 2.1 Purchased Assets. Upon the terms and subject to the conditions set forth in this Agreement, at the Closing, Seller shall sell, convey, transfer, assign and deliver to Purchaser, and Purchaser shall purchase, acquire and take assignment and delivery from Seller, all of Seller’s right and title to and interest in and to the following assets, properties, and rights (contractual or otherwise) owned by Seller, excluding, for the avoidance of doubt, the Excluded Assets (defined below) (the assets so included, collectively, the “Purchased Assets”):

(a) all (i) Equipment, including the DCMs listed or described on Schedule 2.1(a)(i) or otherwise utilized in the servicing of the Assumed Leases (as defined herein), without limitation, any related parts and components of such DCMs (collectively, the “Purchased DCMs”), and including (ii) all post-Closing warranty rights or claims associated therewith, and only those leases described on Schedule 2.1(a)(ii) (collectively, the “Assumed Leases”);

(b) copies of all books and records relating to the Purchased Assets, including customer or client lists, files, documentation, warranty information, records (including sales records relating to each customer), and the related documentation (collectively, the “DCM Information”); provided that the same shall only be sold to Purchaser (i) to the extent available to Seller on the Closing Date; (ii) to the extent permitted by Law; and (ii) to the extent permitted by Seller’s privacy and other applicable policies and/or agreements with customers and/or clients. For the avoidance of doubt, Seller shall retain all original books and records relating to the Purchased Assets, including all DCM information;

(c) all Contracts described on Schedule 2.1(c) (collectively, the “Assumed Contracts”);

(d) with respect to each of the Purchased DCMs, (i) all keys required to access each kiosk or vault, (ii) all administrative passwords to access terminal software, (iii) all vault lock status combinations or physical key locks on each vault, and (iv) all vault combinations that are not in default position or are used in connection with a national armored carrier (collectively, the “DCM Access Tools”);

(e) except as may be limited by the express exclusions set forth below, all other or additional assets, properties, privileges, rights and interests of the Seller related to the Purchased Assets of every kind and description and wherever located, whether known or unknown, fixed or unfixed, accrued, absolute, contingent or otherwise, and whether or not specifically referred to in this Agreement; *provided, however,*

none of the Parties hereto intends that the Purchaser, or any of its Affiliates, shall be deemed to be a successor to the Seller with respect to Purchased Assets; and

(f) all warranty rights that Debtor may have in connection with the Purchased DCMs for periods following Closing.

For the avoidance of doubt, the Purchased Assets expressly exclude: (a) except as specifically set forth herein, claims (including warranty claims), warranty rights, litigation rights, etc. in respect of all pre-Closing periods; (b) all cash and cash equivalents, bank accounts and securities of Seller, including shares of capital stock or other equity interests of Seller or its Affiliates; (c) all Contracts that are not Assumed Contracts; (d) the corporate seals, organizational documents, minute books, stock books, Tax Returns, books of account or other records having to do with the corporate organization of Seller, all employee-related or employee benefit-related files or records, and any other books and records which Seller is prohibited from disclosing or transferring to Buyer under applicable Law and is required by applicable Law to retain; (e) all insurance policies of Seller and all rights to applicable claims and proceeds thereunder; (f) all Employee Plans and trusts or other assets attributable thereto; all Tax assets (including duty and Tax refunds and prepayments) of Seller or any of its Affiliates; (g) all permits and licenses; (h) except as specifically set forth herein, all rights to any action, suit or claim of any nature available to or being pursued by Seller, whether arising by way of counterclaim or otherwise; and, (i) all assets sold to Genesis Coin, Inc. under the Genesis Coin Asset Purchase Agreement, and (j) all assets, properties and rights used by Seller in its businesses other than the Business.

Section 2.2 Assumed Liabilities. Upon the terms and subject to the conditions set forth in this Agreement, at the Closing, the Purchaser shall execute and deliver to the Seller an assumption and assignment agreement in the Form of Exhibit A or such other form as may be in form and substance reasonably satisfactory to the Seller and the Purchaser (the “Assumption and Assignment Agreement”) pursuant to which the Purchaser shall assume and agree to discharge, when due (in accordance with its respective terms and subject to the respective conditions thereof), only the following Liabilities (without duplication) (collectively, the “Assumed Liabilities”) and no others:

(a) the cure payment obligation of the Seller as set forth on Schedule 2.1(a)(ii) and 2.1(c) (the “Cure Payments”) in order for the Seller to assume and assign the Assumed Contracts and Assumed Leases under Section 365(b) of the Bankruptcy Code; *provided, however, that* Purchaser shall not be responsible to pay more than the cure payment for each contract identified on Schedule 2.1(a)(ii) and 2.1(c) and to the extent a counter party objects to the cure payment referenced on Schedule 2.1(a)(ii) and 2.1(c) and the Purchaser and the counter party are unable to stipulate to a different cure amount, then the underlying contract related to such objection shall be deemed rejected by the Seller and Purchaser shall have no obligation to have such contract assigned to it or pay such cure amount.

(b) all Liabilities under the Assumed Contracts and Assumed Leases arising after the Closing Date; and

(c) all Liabilities arising out of the ownership of the Purchased Assets after the Closing Date.

Section 2.3 Excluded Liabilities. Other than the Assumed Liabilities, Purchaser shall not assume or be bound by or be obligated or responsible for any duties, responsibilities, commitments, expenses, obligations, leases or liabilities of Seller or relating to the Purchased Assets (or which may be asserted against or imposed upon Purchaser as a successor or transferee of Seller as an acquirer of the Purchased Assets as a matter of law) of any kind or nature, fixed or contingent, known or unknown, including, without limitation, the following (collectively, the “Excluded Liabilities”):

- (a) any Liability of Seller in respect of any Taxes;
- (b) any Liability of Seller under any contract or lease;
- (c) any Liability of Seller relating to (i) events or conditions occurring or existing in connection with, or arising out of, the Seller's Business prior to the Closing Date, or (ii) arising from Seller's ownership, possession, use operation, or sale or other disposition prior to the Closing Date of any of the Purchased Assets (or any other assets, properties, rights or interests associated, at any time prior to the Closing Date, with the Seller's business;

- (g) any Liabilities of Seller arising under or in connection with any Employee Plans of, or maintained or required to be maintained by, Seller;

- (i) any successor liability of the Seller; and,
- (j) any contract that was originally part of the Assumed Contracts or Assumed Leases and was rejected due to the cure amount being more than the amount stated in Schedule 2.1(a)(ii) or 2.1(c).

ARTICLE III BANKRUPTCY COURT APPROVAL

Section 3.1 Entry of Order Approving Sale.

(a) Seller shall use its reasonable best efforts to obtain entry of an order of the Bankruptcy Court approving the sale on the terms of this Agreement. The Sale Order shall be in a form reasonably satisfactory to Purchaser and Seller, and shall, among other things:

(i) approve and direct the sale and assignment of the Purchased Assets by Debtor to Purchaser, and the assumption and assignment of the Assumed Leases and Assumed Contracts by Debtor to Purchaser, pursuant to the terms of this Agreement and free and clear of all Liens, claims or interests, based on appropriate findings and rulings pursuant to, inter alia, Sections 363(b), (f) and (m) and 365 of the Bankruptcy Code, including but not limited to Sections 365(h), (i), (l) and (n) and the release of Purchaser of any applicable rights otherwise associated with, and which may otherwise be to the benefit of, any third parties; provided that notwithstanding anything to the contrary in the Agreement;

(v) include a finding confirming the adequacy of notice to all creditors and parties in interest and parties to any executory contract, unexpired lease or right of entry; and

(vi) include provisions for the retention of jurisdiction in the Bankruptcy Court relating to title to the Purchased Assets and claims against the Purchased Assets which arose or were based on facts or occurrences prior to the Closing. Furthermore, the Sale Order shall not have been reversed, stayed, modified or amended and not subject to an appeal.

(vii) The Cure Payments are the only amount needed to cure the Debtor's monetary defaults under the Assumed Contracts and the Assumed Leases pursuant to Section 365(b) of the Bankruptcy Code.

(b) Seller shall provide notice of any hearing on the motion to approve the Sale Order or any other matter before the Bankruptcy Court relating to this Agreement or the Transaction Documents, in each case as required by the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure and the Local Bankruptcy Rules for the District of Nevada or as otherwise ordered by the Bankruptcy Court.

ARTICLE IV INSTRUMENTS OF TRANSFER AND ASSUMPTION

Section 4.1 Transfer Documents. At the Closing, Seller will deliver to Purchaser (a) one or more Assumption and Assignment Agreement in substantially the form attached hereto as Exhibit A, (b) Bills of Sale in substantially the form attached hereto as Exhibit B (the "Bill of Sale"), and (c) all such other good and sufficient instruments of sale, transfer and conveyance consistent with the terms and provisions of this Agreement, including, without limitation, the Purchased Assets, and any other assignments as shall be reasonably necessary to vest in Purchaser all of Seller's right and title to, and interest in, the Purchased Assets.

ARTICLE V CLOSING

Section 5.1 Closing Date. Subject to the terms and conditions hereof, the closing of the transactions contemplated by this Agreement (the "Closing") shall take place at [_____], or such other location as may be mutually agreed upon between the Parties, on the date which is not later than the first (1st) business day following the date on which all conditions to Closing set forth in Articles IX and X hereof have been satisfied or waived (the "Closing Date"). The Closing shall be effective as of 12:01 a.m. Eastern Time on the Closing Date. Notwithstanding the foregoing, the parties hereto acknowledge and agree that Purchaser shall not be required to close prior to July 21, 2023, as such date was contemplated and agreed upon in connection with, and as consideration for, the Extension Fee.

ARTICLE VI SELLER'S REPRESENTATIONS AND WARRANTIES

Seller represents and warrants to Purchaser that the statements contained in this Article VI are true and correct as of the Execution Date and will be true and correct as of the Closing Date, subject to the disclosures and exceptions set forth in the Disclosure Schedules attached hereto, which may be amended from time to time through the Closing Date.

Section 6.1 Organization, Qualification and Corporate Power. Seller is a corporation duly organized, validly existing and in good standing under the Laws of the State of Nevada and is in good standing under the Laws of each jurisdiction where such qualification is required, except where the lack of such qualification would not reasonably be expected to have a Material Adverse Effect. Seller has all necessary power and authority to own and operate its properties and to carry on its business as it is now being conducted. Seller has the power and authority to execute and deliver and, subject to order of the Bankruptcy Court, perform its obligations under this Agreement and the other Transaction Documents, and to undertake the transactions contemplated hereby and thereby. As used herein, the term “Transaction Documents” means this Agreement and all other agreements, documents and instruments executed in connection herewith or required to be executed and/or delivered by Seller in accordance with the provisions of this Agreement.

Section 6.2 Authorization, Execution and Delivery of Agreement and Transaction Documents. The execution, delivery and performance of this Agreement and the other Transaction Documents by Seller and the transfer or assignment of the Purchased Assets to Purchaser have been duly and validly authorized and approved by all necessary corporate action. Subject to order of the Bankruptcy Court and pursuant thereto, Seller will have full power, right and authority to sell and convey to Purchaser the Purchased Assets owned by Seller, subject to any necessary authorization from the Bankruptcy Court.

Section 6.3 Title to and Condition of Assets. Except as set forth in Schedule 6.3 hereto, Seller has title to, or a valid leasehold interest in, all of the properties and assets included in the Purchased Assets, and upon the consummation of the transactions contemplated hereby and by the Transaction Documents, Purchaser will acquire title to all of the Purchased Assets, free and clear of all Liens. For the avoidance of doubt, Seller has a leasehold interest in the AVT DCMs and shall obtain written consent from AVT to include the AVT DCMs in the Purchased Assets prior to such date of the hearing to approve the Sale Order.

Section 6.4 Assumed Leases and Assumed Contracts. Schedule 2.1(a)(ii) sets forth the list of all Assumed Leases and Schedule 2.1(c) sets forth the list of all Assumed Contracts. Except for defaults that will be cured through the Cure Payments set forth on Schedules 2.1(a)(ii) and 2.1(c), neither Seller, nor to the Knowledge of Seller, any other party thereto is in default or breach in any material respect under the terms of any Assumed Lease or Assumed Contract.

Section 6.5 Brokers. Except for those set forth in Schedule 6.5, for whom Seller shall be solely responsible for any fees or commissions owing, Seller has not engaged any agent, broker or other Person acting pursuant to the express or implied authority of Seller which is or may be entitled to a commission or broker or finder’s fee in connection with the transactions contemplated by this Agreement or otherwise with respect to the sale of the Purchased Assets.

Section 6.6 Exclusivity of Representations. The representations and warranties expressly made by Seller in this ARTICLE VI are the exclusive representations and warranties made by Seller. Except for the express representations and warranties set forth in this ARTICLE VI of this Agreement, Seller disclaims any other representations or warranties of any kind or nature whatsoever, oral or written, statutory, or express or implied, with respect to the Business, the Purchased Assets, or the Assumed Liabilities. Except as expressly and specifically set forth in this Agreement, the condition of the Purchased Assets and the Assumed Liabilities shall be “as is” and “where is” and Seller makes no representation or warranty of merchantability, suitability, fitness for a particular purpose, or quality with respect to any of the Purchased Assets or Assumed Liabilities or as to the condition or workmanship thereof or the absence of any defects therein, whether latent or patent. Seller is not, directly or indirectly, making any representations or warranties regarding any pro-forma financial information, financial projections or other forward-looking

statements of the Business, the Purchased Assets, or the Assumed Liabilities. It is understood that any due diligence materials made available to Purchaser and/or its respective representatives do not, directly or indirectly, and shall not be deemed to, directly or indirectly, contain representations or warranties of Seller or its representatives.

ARTICLE VII PURCHASER'S REPRESENTATIONS

Purchaser represents and warrants to Seller that the statements contained in this Article VII are true and correct as of the Execution Date and will be true and correct as of the Closing Date.

Section 7.1 Organization; Qualification and Limited Liability Company Power. Purchaser is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware. Purchaser has all necessary power and authority to (a) own and operate its properties, carry on its business as it is now being conducted, (c) perform its obligations under this Agreement and the other Transaction Documents, and to undertake and carry out the transactions contemplated hereby and thereby, and (d) own and operate the Purchased Assets and Business.

Section 7.2 Authorization, Execution and Delivery of Agreement and Transaction Documents. All necessary consents and approvals have been obtained by Purchaser for the execution and delivery of this Agreement and the Transaction Documents. The execution, delivery and performance of this Agreement and the other Transaction Documents in accordance with their terms by Purchaser have been duly and validly authorized and approved by all necessary corporate action. Purchaser has full power, right and authority to acquire the Purchased Assets. This Agreement is, and each of the other Transaction Documents when so executed and delivered will be, a valid and binding obligation of Purchaser, enforceable against it in accordance with its terms, except to the extent such enforceability may be limited by bankruptcy, insolvency or other similar laws affecting creditors.

Section 7.3 Brokers. Purchaser has not engaged any agent, broker or other Person acting pursuant to the express or implied authority of Purchaser which is or may be entitled to a commission or broker or finder's fee in connection with the transactions contemplated by this Agreement or otherwise with respect to the sale of the Purchased Assets.

Section 7.4 No Violation of Laws or Agreements. The performance by Purchaser of its obligations contemplated hereunder and the consummation by Purchaser of the transactions contemplated herein will not violate, (a) any Laws or any judgment, decree, order, regulation or rule of any court or Governmental Authority to which Purchaser is subject; or (b) contravene, conflict with or result in a violation of any provision of any organizational documents of Purchaser.

Section 7.5 Due Investigation. Purchaser has conducted its own independent investigation, verification, review, and analysis of the Business, operations, Purchased Assets, Assumed Liabilities, results of operations, financial condition, technology, and prospects of Seller, which investigation, review, and analysis were conducted by Purchaser and, to the extent Purchaser deemed appropriate, by Purchaser's representatives. Purchaser represents and warrants that it and its representatives have been provided adequate access to the personnel, properties, premises, and records of Seller for such purposes. In entering into this Agreement, Purchaser acknowledges that it has relied solely upon the aforementioned investigation, review, and analysis and not on any factual representations or opinions of the Seller or any of Seller's representatives, except to the specific representations and warranties of the Seller set forth in ARTICLE VI of this Agreement. Purchaser acknowledges and agrees, to the fullest extent permitted by

Law, that Seller makes no representation or warranty regarding any third-party beneficiary rights or other rights which Purchaser might claim under any studies, reports, tests, or analyses prepared by any third parties for Seller, if the same were made available for review of Purchaser.

ARTICLE VIII SELLER'S AND PURCHASER'S COVENANTS AND AGREEMENTS

Section 8.1 Access to Information.

(a) Prior to and through the date on which the Closing occurs or this Agreement is terminated, Seller shall cooperate with Purchaser and shall give Purchaser and its representatives (including Purchaser's accountants, consultants, counsel and employees), upon reasonable notice and during normal business hours, full access to the properties, contracts, leases, equipment, employees, affairs, books, documents, records and other information of Seller to the extent relating to the Business, the Purchased Assets, Assumed Liabilities, and any other aspect of this Agreement and shall cause their respective officers, employees, agents and representatives to furnish to Purchaser all available documents, records and other information (and copies thereof), to the extent relating to the Business, the Purchased Assets, Assumed Liabilities, and any other aspect of this Agreement, in each case, as Purchaser may reasonably request.

(b) Until the two (2) year anniversary of the effective date of the Plan, Purchaser shall afford the Unsecured Creditors' Committee Litigation Trust (as defined in the Plan) and its representatives reasonable access to inspect all of the Purchased Assets and other documents and data related to the Purchased Assets and reasonably cooperate to furnish the Unsecured Creditors' Committee Litigation Trust and its representatives with such documents and data as the Unsecured Creditors' Committee Litigation Trust or any of its representatives may reasonably request. Any access, investigation, or inspection pursuant to this Section 8.1(b) shall be at the Unsecured Creditors' Committee Litigation Trust's sole cost, expense, and risk and shall be conducted during normal business hours (such hours to be determined in Purchaser's sole discretion) upon reasonable advanced notice to Purchaser, under the supervision of Purchaser's personnel and in such manner as not to interfere unreasonably with the conduct of the Business. Notwithstanding the foregoing, any access or inspection that causes a Purchased Asset to be inoperable or otherwise interrupts the generation of revenue shall be considered an unreasonable interference with the conduct of the Business.

Section 8.2 Taxes.

(a) Seller shall be responsible for all Taxes in connection with, relating to or arising out of the Business or the ownership of the Purchased Assets, or the Assumed Liabilities attributable to taxable periods, or portions thereof, ending on or before the Closing, which Taxes shall be an Excluded Liability. All state and local sales and use Taxes, to the extent attributable to periods prior to the Closing, shall be paid or otherwise discharged by Seller, including any and all sales or transfer taxes incurred or owed as a result of the transactions contemplated by this Agreement.

Form of Guaranty.

(See attached.)

Exhibit D-1

THIS INSTRUMENT CONTAINS AN AFFIDAVIT OF CONFESSION OF JUDGMENT PROVISION WHICH CONSTITUTES A WAIVER OF IMPORTANT RIGHTS GUARANTOR MAY HAVE AND ALLOWS THE BENEFICIARY TO OBTAIN A JUDGMENT AGAINST GUARANTOR WITHOUT ANY FURTHER NOTICE

GUARANTY

This GUARANTY (this Guaranty), dated as of June __, 2023, is made by Kiosk Service Solutions, LLC, a Florida limited liability company, with a business address located at 1541 Sunset Drive, Suite 202, Coral Gables, Florida (Guarantor), in favor and for the benefit of Cash Cloud, Inc., a Delaware corporation, with a business address located at 10845 Griffith Peak Drive, No. 2, Las Vegas, Nevada 89135 (Beneficiary).

Reference is made to the Promissory Note dated as of June __, 2023 (the Note) made by Genesis Coin, Inc., a Delaware corporation (Obligor), in favor of Beneficiary. In consideration of the substantial direct and indirect benefits derived by Guarantor from the transactions under the Note, and in order to induce Beneficiary to advance certain funds, Guarantor, Genesis Coin, Inc. hereby agrees as follows:

1. Guaranty. Guarantor absolutely, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, the full and punctual payment and performance of all present and future obligations, liabilities, covenants and agreements required to be observed and performed or paid or reimbursed by Obligor under or relating to the Note, plus all costs, expenses and fees (including the reasonable fees and expenses of Beneficiary's counsel) in any way relating to the enforcement of Beneficiary's rights hereunder (collectively, the Obligations).

2. Guaranty Absolute and Unconditional. Guarantor agrees that its Obligations under this Guaranty are irrevocable, continuing, absolute and unconditional and shall not be discharged or impaired or otherwise affected by, and Guarantor hereby irrevocably waives any defenses to enforcement it may have (now or in the future) by reason of:

(a) Any illegality, invalidity or unenforceability of any Obligation or the Note or any related agreement or instrument, or any law, regulation, decree or order of any jurisdiction or any other event affecting any term of the Obligations.

(b) Any change in the time, place or manner of payment or performance of, or in any other term of the Obligations, or any rescission, waiver, release, assignment, amendment or other modification of the Note.

(c) Any taking, exchange, substitution, release, impairment, amendment, waiver, modification or non-perfection of any collateral or any other guaranty for the Obligations, or any manner of sale, disposition or application of proceeds of any collateral or other assets to all or part of the Obligations.

(d) Any default, failure or delay, willful or otherwise, in the performance of the Obligations.

(e) Any change, restructuring or termination of the corporate structure, ownership or existence of Guarantor or Obligor or any insolvency, bankruptcy, reorganization or other similar proceeding affecting Obligor or its assets or any resulting restructuring, release or discharge of any Obligations.

(f) Any failure of Beneficiary to disclose to Guarantor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of Obligor now or hereafter known to Beneficiary, Guarantor waiving any duty of Beneficiary to disclose such information.

(g) The failure of any other guarantor or third party to execute or deliver this Guaranty or any other guaranty or agreement, or the release or reduction of liability of Guarantor or any other guarantor or surety with respect to the Obligations.

(h) The failure of Beneficiary to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Note or otherwise.

(i) The existence of any claim, set-off, counterclaim, recoupment or other rights that Guarantor or Obligor may have against Beneficiary (other than a defense of payment or performance).

(j) Any other circumstance (including, without limitation, any statute of limitations), act, omission or manner of administering the Note or any existence of or reliance on any representation by Beneficiary that might vary the risk of Guarantor or otherwise operate as a defense available to, or a legal or equitable discharge of, Guarantor.

3. Certain Waivers; Acknowledgments. Guarantor further acknowledges and agrees as follows:

(a) Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all presently existing and future Obligations, until the complete, irrevocable and indefeasible payment and satisfaction in full of the Obligations.

(b) This Guaranty is a guaranty of payment and performance and not of collection. Beneficiary shall not be obligated to enforce or exhaust its remedies against Obligor or under the Note before proceeding to enforce this Guaranty.

(c) This Guaranty is a direct guaranty and independent of the obligations of Obligor under the Note. Beneficiary may resort to Guarantor for payment and performance of the Obligations whether or not Beneficiary shall have resorted to any collateral therefor or shall have proceeded against Obligor or any other guarantors with respect to the Obligations. Beneficiary may, at Beneficiary's option, proceed against Guarantor and Obligor, jointly and severally, or against Guarantor only without having obtained a judgment against Obligor.

(d) Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of non-performance, default, acceleration, protest or dishonor and any other notice with respect to any of the Obligations

and this Guaranty and any requirement that Beneficiary protect, secure, perfect or insure any lien or any property subject thereto.

(e) Notwithstanding anything contained herein to the contrary, the Obligations of Guarantor shall be limited to the maximum amount so as to not constitute a fraudulent transfer or conveyance for purposes of the United States Bankruptcy Code or any applicable state law or otherwise to the extent applicable to this Guaranty and the Obligations of Guarantor hereunder.

(f) Guarantor agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time all or part of any payment of any Obligation is voided, rescinded or recovered or must otherwise be returned by Beneficiary upon the insolvency, bankruptcy or reorganization of Obligor.

4. Subrogation. Guarantor waives and shall not exercise any rights that it may acquire by way of subrogation, contribution, reimbursement or indemnification for payments made under this Guaranty until all Obligations shall have been indefeasibly paid and discharged in full.

5. Representations and Warranties. To induce Beneficiary to enter into the Note, Guarantor represents and warrants that: (a) Guarantor is a duly incorporated and validly existing limited liability company in good standing under the laws of the jurisdiction of its organization; (b) this Guaranty constitutes Guarantor's valid and legally binding agreement in accordance with its terms; (c) the execution, delivery and performance of this Guaranty have been duly authorized by all necessary action and will not violate any order, judgment or decree to which Guarantor or any of its assets may be subject; and (d) Guarantor is currently solvent and will not be rendered insolvent by providing this Guaranty.

6. EVENT OF DEFAULT; CONFESSION OF JUDGMENT.

(a) The occurrence of any one or more of the following events shall constitute an "Event of Default" hereunder:

(i) The failure of the Guarantor to make any payment due under this Guaranty, if such event remains uncured after five (5) days following Guarantor's receipt of written notice thereof;

(ii) Any representation or warranty made by Guarantor in this Guaranty, or by any Obligor in the Note, shall prove to have been incorrect in any material respect when made or deemed made;

(iii) Guarantor's breach of or failure to observe or perform any of Guarantor's duties, covenants or Obligations under this Guaranty (other than a failure to make a payment), and such failure or breach shall continue uncured for a period of 30 days after the earlier to occur of (i) notice thereof from Beneficiary to Guarantor or (ii) Guarantor becomes aware of any such failure or breach; provided that if such failure or breach cannot reasonably be cured within such 30 day period, and Obligor or Guarantor, as applicable, are proceeding diligently to effect a cure, Obligor or Guarantor, as applicable, shall have an additional 30 days to effect a cure;

(iv) One or more judgments for the payment of money (to the extent not covered by insurance) shall be rendered against Guarantor and the same shall remain undischarged for a period of 45 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of Guarantor to enforce any such judgment; or

(v) A default by Guarantor or the Obligor under the Note, subject to the lapse of any applicable notice or cure period provided in such Note with respect to such default.

(b) Upon the occurrence of any Event of Default, and in addition to any other right or remedy of the Beneficiary hereunder, under the related transaction documents, or otherwise at law or in equity, the Guarantor hereby irrevocably authorizes and empowers Beneficiary or its legal counsel, each as the Guarantor's attorney-in-fact, to appear ex parte and with notice to the Guarantor to confess judgment against the Guarantor of the unpaid amount of the Note. The judgment shall set forth the amount then due thereunder, plus attorney's fees and cost of suit, and to release all errors, and waive all rights of appeal. The Guarantor waives the right to contest the Beneficiary's rights under this section, including without limitation the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect. No single exercise of the foregoing right and power to confess judgment will be deemed to exhaust such power, whether or not any such exercise shall be held by any court to be invalid, voidable, or void, and such power shall continue undiminished and may be exercised from time to time as the Beneficiary may elect until all amounts owing on the Note have been paid in full. Simultaneous with the execution of this Guaranty, the Guarantor shall provide to Beneficiary a signed and notarized copy of the affidavit of confession of judgment attached hereto as Exhibit "A".

All notices, requests, consents, demands and other communications hereunder (each, a Notice) shall be in writing and delivered to the parties at the addresses set forth herein or to such other address as may be designated by the receiving party in a Notice given in accordance with this section. All Notices shall be delivered by personal delivery, nationally recognized overnight courier, email, or certified or registered mail (return receipt requested, postage prepaid). Except as otherwise provided in this Guaranty, a Notice is effective only (a) with written confirmation of delivery or transmission; (b) upon receipt of the receiving party; and (c) if the party giving the Notice has complied with the requirements of this section.

8. Assignment. This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that Guarantor may not, without the prior written consent of Beneficiary, assign any of its rights, powers or obligations hereunder. Beneficiary may assign this Guaranty and its rights hereunder without the consent of Guarantor. Any attempted assignment in violation of this section shall be null and void.

9. Governing Law; Service of Process. THIS GUARANTY SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAWS OF THE STATE OF NEVADA, WITHOUT REFERENCE TO ANY CHOICE OF LAW DOCTRINE. EACH PARTY IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 7 HEREOF AND AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY MANNER PERMITTED BY APPLICABLE LAW.

10. Waiver of Jury Trial. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY OR ANY OF THE OBLIGATIONS HEREUNDER.

11. Cumulative Rights. Each right, remedy and power hereby granted to Beneficiary or allowed it by applicable law or other agreement shall be cumulative and not exclusive of any other, and may be exercised by Beneficiary at any time or from time to time.

12. Severability. If any provision of this Guaranty is to any extent determined by final decision of a court of competent jurisdiction to be unenforceable, the remainder of this Guaranty shall not be affected thereby, and each provision of this Guaranty shall be valid and enforceable to the fullest extent permitted by law.

13. Expenses. Upon the occurrence of an Event of Default, the Beneficiary shall be entitled to all reasonable out-of-pocket costs, expenses, and fees, including the reasonable fees and expenses of counsel, incurred by the Beneficiary in connection with the enforcement of Beneficiary's rights hereunder.

14. Entire Agreement; Amendments; Headings; Effectiveness. This Guaranty constitutes the sole and entire agreement of Guarantor and Beneficiary with respect to the subject matter hereof and supersedes all previous agreements or understandings, oral or written, with respect to such subject matter. No amendment or waiver of any provision of this Guaranty shall be valid and binding unless it is in writing and signed, in the case of an amendment, by both parties, or, in the case of a waiver, by the party against which the waiver is to be effective. Section headings are for convenience of reference only and shall not define, modify, expand or limit any of the terms of this Guaranty. Delivery of this Guaranty by facsimile or in electronic (i.e., pdf or tif) format shall be effective as delivery of a manually executed original of this Guaranty.

Andrew Barnard, being duly sworn, hereby deposes and says:

1. I am the Manager of defendant, Kiosk Service Solutions, LLC, a Florida limited liability company ("Guarantor"). As such, I am fully familiar with all the facts and circumstances recited herein on personal knowledge. Guarantor has its principal place of business at 1541 Sunset Drive, Suite 202, Coral Gables, Florida. On behalf of the Guarantor, I hereby confess judgment in favor of COIN CLOUD, INC., a Nevada corporation, and each of its successors and assigns (each individually, and together collectively, "Coin Cloud"), with a place of business at 10845 Griffith Peak Drive, No. 2, Las Vegas, NV 89135, in the amount of \$1,500,000.00, less any payments made to Coin Cloud in respect of the Note or the Guaranty (as defined herein) on or after the date

of this affidavit of confession of judgment, plus Default Interest (as defined in the Note) on said amount, and all other applicable penalties under the Note, all to the extent such amounts become owing to Coin Cloud pursuant to the Guaranty (as defined herein). In no event shall interest payable hereunder exceed the maximum permissible under applicable law.

2. I hereby authorize the federal courts and/or state courts located in the State of Nevada to enter judgment against Guarantor in the amount of \$1,500,000.00, less any payments made to Coin Cloud in respect of the Note or the Guaranty on or after the date of this affidavit of confession of judgment, plus Default Interest on said amount, and all other applicable penalties under the Note, plus the costs and attorneys' fees that are set forth below, less any payments made to Coin Cloud in respect of the Note or the Guaranty on or after the date of this affidavit of confession of judgment, upon Guarantor's failure for any reason to timely make any payment to Coin Cloud called for by the Guaranty dated June ___, 2023 made by Guarantor in favor of Coin Cloud (the "Guaranty"), all to the extent such amounts become owing to Coin Cloud pursuant to the Guaranty.

3. In order to secure these obligations, Guarantor agreed to simultaneously deliver with the execution of the Guaranty this Affidavit of Confession of Judgment.

4. The sums confessed pursuant to this affidavit of confession of judgment are justly due and owing to Coin Cloud under the following circumstances: Genesis Coin, Inc., a Nevada Corporation ("Borrower"), issued to Beneficiary a promissory note dated June ___, 2023 in the principal amount of \$1,500,000.00 (the "Note"), pursuant to which, inter alia, Borrower promised to pay to the order of Coin Cloud such principal amount as provided in the Note. Concurrent therewith, Guarantor entered into the Guaranty with Coin Cloud, with Guarantor guaranteeing the obligations of Borrower under the Note. The amounts confessed by this affidavit represent Coin Cloud's reliance on Guarantor to guaranty the promissory note investment by Coin Cloud in Borrower and arise out of Guarantor's breach of its obligations under the Guaranty.

5. Guarantor agrees to pay any and all costs and expenses incurred by Coin Cloud in enforcing the terms of this affidavit of confession of judgment, including reasonable attorneys' fees and expenses, that Coin Cloud incurs or is billed for in connection with enforcing the terms of the affidavit of confession of judgment, entering any judgment, collecting upon said judgment, and defending or prosecuting any appeals.
